- Custom paint colors
- Team name in place of HOME
- Up to 1,000 feet of data cable for hardwired installations
- ScoreLink Wireless RF modem system for wireless communication
- Additional warranty and support plans

**DIGITS / INDICATORS:**

Guest Score, Home Score, and Game Clock digits are 9 inches tall, while the Period digit is 6 inches tall. Bonus and Possession indicators are 3 inches tall. Digits and indicators are formed from matrices of super-bright, long-lasting, energy-efficient LEDs (Light Emitting Diodes). Standard LED colors for the scoreboard are amber, red, and green. Our LED displays are protected by aluminum masks that allow the hard epoxy shells of the LEDs to be exposed for maximum viewing angles.
